

BioWednesday Webinar Report: Enabling Access to Medical Technologies - Compulsory Licensing, TRIPS and FRAND

On 20th May 2020 EIP Life partners [Andy Sharples](#) and [Monika Rai](#) joined One Nucleus' BioWednesday webinar.

EIP have created an event report that covers the webinar in more detail.

The report covers:

- The TRIPS Agreement and Compulsory Licencing
- FRAND Licencing
- Patent Pools
- The COVID-19 Crisis

For further details of the report, click [here](#).
