David Brinck to speak at IDEALondon event

Partner David Brinck has been invited to speak at IDEALondon's Lunch & Learn on "IP Strategies for Startups", on Wednesday 21 February.

IDEALondon is a coworking space for digital start-ups run by Cisco, UCL Engineering, and EDF Energy. They hold regular events for those starting out in business to network and gain valuable information.

David will explain the different IP strategies successful start-ups can use to provide a real competitive advantage. His presentation will be followed by one-to-one IP clinic sessions.
