Patent Box and R&D tax credits: Are you missing out?

EIP has teamed up with [Jumpstart](#) for an evening seminar on how innovative companies can get maximum benefit from the Patent Box and R&D tax credit schemes.

This seminar will explain why companies should be looking at HMRC's R&D tax relief programme using real life examples of what other companies have achieved. Coupled with imminent changes to the Patent Box scheme, this seminar will explain the potential both schemes have in helping businesses fund innovation.

The event takes place at EIP's London office on Wednesday 11 May from 5.30pm – 9pm.
