EIP cyclists Pedal4Cancer

On 16 August, four of EIP's most talented cyclists will be taking on the challenge of cycling from London to Cambridge, raising money for Target Ovarian Cancer. Partner, Gary Moss, will lead the team over a distance of 100km in the Pedal4Cancer event.

Target Ovarian Cancer is a charity that works to improve early diagnosis, fund life-saving research and provide much-needed support to women with ovarian cancer.
