EIP to hold IP Clinic at Venturefest Bristol 2013

EIP will be giving free intellectual property advice to entrepreneurs during an IP Clinic at [Venturefest Bristol 2013](#).

Visitors can receive advice on the range of protection available for their IP rights, including patents, trademarks and designs, as well as IP strategy.

Venturefest 2013 is a free event taking place at the UWE Conference Centre in Bristol on 14 November. It aims to attract early-stage technology businesses looking for support and advice to kick start their business idea.

EIP's IP Clinic consists of 15-minute slots taking place from 1.30pm-4pm. To register for the IP Clinic, click [here](#).
