London Technology Week 2017: EIP and Ignition Law host joint event

EIP has collaborated with start-up and high-growth specialists [Ignition Law](#) to host a seminar during London Technology Week 2017.

The seminar, “Legal Rights and Wrongs of Starting and Growing a Tech Business” will cover topics including setting up a new business, dealing with investors and partners, to protecting and exploiting IP.

It takes place at EIP’s office in London on Monday 12 June from 5.30pm-9pm. For more information and to register, visit the [event website](#).
