EIP turns 21!

Earlier this month EIP celebrated turning 21 with a special event at the Museum of London. The evening was a chance for EIP colleagues past and present who have contributed to the firm's success to reflect over the past two decades.

To mark the occasion a special edition of The Abstract. EIP's official magazine was created. The magazine contains profiles with the founders – [Jerome Spaargaren](#) and [Heather McCann](#), and [Gary Moss](#) who set up the firm's successful Litigation team. The magazine also includes interviews with long-serving EIPers and profiles from each of the EIP's six offices.
