EIP

Legal 500 UK 2022 rates
EIP in the top tier for
patent expertise

The 2022 edition of the Legal 500 UK has been published with positive rankings for EIP's patent litigation and patent attorney practices.

EIP's combined patent offering attracted recognised as 'home to one of the most active litigation practices in the country, with attorneys and solicitors joining forces on high-profile disputes'.

EIP's patent litigation team is noted to be 'as a prolific name in the field of FRAND litigation' headed by 'strategic mastermind' **Gary Moss** who is supported by **Matthew Jones, Andrew Sharples, Kathleen Fox Murphy**, and **Robert Lundie Smith** who 'has an excellent technical understanding'. One client commented 'they keep winning, in the end, that's all that really matters.'

In ranking our patent attorney team in tier one the editorial notes 'EIP is the go-to firm for an impressive list of US, UK, European and Asia Pacific clients that seek a direct client relationship with patent attorneys.', and 'focusing on high-stakes strategic patent prosecution'. Clients commented 'they are a very talented group' and a 'very professional and experienced team'.

Gary is recognised as a Leading Individual for Patents (Contentious and Non-Contentious) while **Heather McCann** and **Luke Galloway** are referred to as 'brilliant', 'hugely talented, pragmatic and cut to the chase'.

The Legal 500 rankings are based on feedback from 300,000 clients worldwide, submissions from law firms and interviews with leading private practice lawyers, and a team of researchers who have unrivalled experience in the legal market.
