EIP to host IP Inclusive seminar: Imposter Syndrome

EIP will be hosting an IP Inclusive webinar on "Imposter Syndrome" at our Bath office, on 19 September from 8:30am.

This breakfast webinar is a nationwide event aimed at IP professionals committed to improving equality, diversity, and inclusivity in our community. This free event covers the topic of feeling excluded with no sense of belonging, and how to overcome Imposter Syndrome in ourselves and those we manage.

Speakers include executive coach Jo Maughan, and former Senior IP Counsel for Shell's UK IP department Carol Arnold.
