BioWednesday Webinar Report: Enabling Access to Medical Technologies -Compulsory Licensing, TRIPS and FRAND

On 20th May 2020 EIP Life partners <u>Andy Sharples</u> and <u>Monika Rai</u> joined One Nucleus' BioWednesday webinar.

EIP have created an event report that covers the webinar in more detail.

The report covers:

- The TRIPS Agreement and Compulsory Licencing
- FRAND Licencing
- Patent Pools
- The COVID-19 Crisis
