EIP and Brown Butler co-host Patent Box event in Leeds

EIP and Chartered accountants Brown Butler are co-hosting an event in Leeds to show how innovative companies can get maximum benefit from the Patent Box tax relief scheme.

The event will be held at EIP's office at Broad Gate, The Headrow, on 20 November at 6pm.

Patent attorney Laurence Brown, from EIP, and Tax Director Craig Hughes, from Brown Butler, will explain the implications of the Patent Box from an IP, tax, and accounting perspective, and what it means to companies which already hold and exploit patents, or are seeking patent protection.

Registration is free, but places are limited. For more information or to register, email events@eip.com
