EIP ranked amongst world's leading trademark firms

EIP has been ranked amongst the world's leading international Trademark firms by the WTR 1000 – with Paula Flutter, head of EIP Brands, singled out as an outstanding practitioner.

The 2017 edition of the WTR 1000, compiled by World Trademark Review, praised EIP's trademark attorneys for their clear and concise advice, client focus and responsiveness.

The rankings are based upon interviews with lawyers and attorneys involved with trademarks, and clients to gather feedback on the leading firms and individuals in the profession globally.
