EIP recommended in Chambers UK 2023

EIP has retained its rankings for Patent Litigation and Patent Attorney work in the 2023 edition of Chambers & Partners UK.

Researchers comments that EIP “has a great, well-integrated team that operates together to provide us with great answers almost instantly.”

A source notes: “EIP are very knowledgeable on the subject matters; they can quickly understand the business implications and act accordingly” while another says, “The team at EIP combine an exceptional professional ethic with impressive technical diligence - everyone we have worked with has been unfailingly thorough, responsive and knowledgeable.”

Partners Gary Moss, Jerome Spaargaren and Mark Lubbock all received recognition as leading lawyers.

Gary receives praise as “the godfather of international FRAND litigation; he virtually invented the field himself.”

Clients comment that Jerome is “...so sharp. He provides solid advice quickly when time really matters.”
